

## Very Narrow Aisle Stacker

Model		NSV10/15
Capacity		1000-1500kg
Load center		500mm
Lifting height	H3	3000-6000mm
Walking speed without load		5km/h
Walking speed with load		4km/h
Lifting speed without load		110mm/s
Lifting speed with load		100mm/s
Maximum climbing ability without load		8%
Maximum climbing ability with load		5%
Overall length, pedals retracted	L	2350mm
Overall width	B	1500mm
Mast lowered height	H1	2100-2600mm
Mast extended height	H4	3560-6560mm
Wheelbase	Y	1090mm
Fork length		1070mm
Fork outer width adjustable range	R	210-680mm
Min.fork height	S	≤60
Ground clearance		60mm
Min. turing raduis	Wa	1313mm
Max. turing raduis	Wa1	1500mm
Min.turning channel width	Asts	2800mm
load wheel		70*80/X2 mm
Drive load		230*75mm
Balance wheel		130*55mm
Wheel type		PU
Drive motor type		AC
Motor capacity		1.5kW
Lifitng motor type		DC
Motor capacity		3kW
Voltage		24V
Battery capacity		210Ah
Working time		5~8H
